

MY HOLIDAY PLAN

An aerial night photograph of Rio de Janeiro, Brazil. The image captures the city's dense urban landscape, illuminated by warm yellow and orange lights from buildings and streets. The city is nestled between steep, dark mountains and a large bay. In the foreground, a prominent mountain slope descends towards the city. The bay is filled with numerous small boats, their lights reflecting on the water. In the background, more mountains rise against a dark, twilight sky. The overall scene is a vibrant and scenic representation of the city at night.

Petra Ivandić 8.a

Brazil

- The largest country in South America
- 8,510,000 km²
- 214,3 million people
- Brasilia
- Portuguese
