

How green am I?

My everyday life 😊

1. Reuse-glass jars, plastic bottles, old boxes
2. Recycle- paper
3. Upcycle-plastic bottles, boxes, cans...
4. Reduce-consumption of water
5. Impact on the environment-very good

Energy sources I use 😊

01

Cooking

Electricity

02

Travelling

Car and plane

03

**Heating
and air
conditioni
g**

Heating-fire

Air conditioning-
electricity

04

**Impact on
environment**

Not bad not
good

How green is my local community?

01

Neighbourhood

Lot of trees but because of buildings it can come to deforestation

02

School

Eco-friendly school

03

City

Not that eco-friendly, lot of buildings

Changes

1. Wooden toothbrush
2. Cloth bags
3. Recycling and upcycling more
4. Shorter showers
5. Walk more
6. Use public transport for travelling

Thank you for attention!
